Dear customer,

THANK YOU!

No. 10

Siemens equipment on Profile and Elite crosslappers

Most of you have already replaced their ServoDyn T servomotors by Siemens ones.

100% of the retrofits were successful. Thank you for your confidence. You made the right choice for a safe production.

Despite great risks of production losses with ServoDyn T, some of you still hesitate.

We hope that the success of the upgraded installations will definitely convince you.

Our service team remains at your disposal.
